# LAKEVIEW WATERFRONT CONNECTION PROJECT ENVIRONMENTAL ASSESSMENT

## FACILITATED ROUNDTABLE DISCUSSION

### 1. Do you agree with the revised project goal and objectives?

**Revised Project Goal:** To create a new natural park that will establish ecological and public linkages on the eastern Mississauga waterfront.

#### **Revised Project Objectives:**

**Naturalization** – Establish a diverse range of native terrestrial and aquatic ecosystem habitats and ecological linkages in a degraded area of the eastern Mississauga waterfront

**Access** – Create safe and accessible public linkages for access to and along the waterfront while allowing for compatible recreational, educational and cultural heritage opportunities

**Resource Optimization** – Use an innovative funding approach that seeks to maximize public benefit and value by reusing locally generated fill from municipal\* capital works projects to create this new natural park

**Compatibility** – Ensure that the LWC is compatible with existing infrastructure

**Coordination** – Coordinate with and inform other local planning and development efforts

**2. Do you agree with the “Alternatives To”? Do you agree with the proposed evaluation approach to focus the EA on lakefill Alternative Methods? Why or why not?**

**3. Do you agree with the proposed Consultation Plan for the EA process? If not, what other forums of consultation would you like to see?**

Proposed Consultation Plan

Consultation opportunities for the project will be provided through the following venues:

- Project Advisory Committee (EA Project Team, OPG & MNR)
- Technical Advisory Committee (TAC) – meets at least 3 times during EA
- Community Liaison Committee (CLC) – meets at least 3 times during EA
- Public Information Centres (PICs) – 3 during EA
  - One of the PICs could be a design charette for development of “alternative methods”
- Project Newsletters, Flyers and Website Updates
- First Nations and Métis Consultation
- Landowner and Local Business Notifications
- Newspaper Advertisements and Articles

**4. Do you agree with the proposed framework to establish Alternative Methods? Why or why not?**

**5. Do you see any significant gaps in the “draft evaluation criteria”? Please elaborate. (See attached table)**

**6. Have we missed any significant issues that you would like to see included in the EA ToR?**

**PLEASE SUBMIT THIS WORKBOOK AT THE END OF THE PUBLIC MEETING  
OR**

**SEND TO "BROOKE ERICKSON"**

**By E-mail: [berickson@trca.on.ca](mailto:berickson@trca.on.ca) OR by Fax: (416) 667-6278**
