

#LearnWithCVC Nature Binoculars Worksheet

Hope you enjoyed the #LearnWithCVC Nature Binoculars Video! After you go outside and explore nature with your very own nature binoculars, answer the following questions:

1. What materials did you use to make your binoculars?

2. Use the binocular lens outline below to draw a picture of something you saw through your binoculars.

3. Create another pair of nature binoculars for a family member and invite them to go outside and explore with you!
