

#LearnWithCVC Clouds: Weather Wizards Worksheet

Hope you enjoyed the #LearnWithCVC Clouds: Weather Wizards video! After you go outside and check out the clouds, answer the following questions:

1. What is the weather like today?

2. Draw a picture of the clouds that you can see in the sky and see if you can name them (you can re-watch the video for help).

The types of clouds that I can see are: _____

3. Be sure to share with your weather report with your family, so they can be prepared. Tell them what items they need to go outside (i.e. sunscreen, umbrella, jacket, etc.)
