#### **TERMS AND CONDITIONS FOR VOLUNTEER WORKDAYS**

1. A youth volunteer is any person 17 years of age or under participating in or in attendance at any CVC sanctioned volunteer activity regardless of the type or duration of the activity.
  - a. Youth Volunteers ages 14 to 17 may attend Volunteer Work Day events without a parent or guardian present but **MUST** have a CVC Consent, Release and Waiver of Liability, Terms and Conditions form signed by a parent or guardian and present it prior to participating in any CVC volunteer event. These are available at the work site, from the CVC website or can be requested by phone or email – see CVC staff for details.
  - b. Youth volunteers 13 years of age or under **MUST** be accompanied by a **PARENT OR GUARDIAN** in order to participate in any volunteer activity with CVC.
2. CVC Volunteer Work Day events are extensions of CVC's regular business in the watershed. These events, their organizers and those attending, whether fully the responsibility of CVC or done in partnership with other groups or organizations are subject to the same operational policies and safety standards as CVC events.
3. Everyone has the right to refuse work they believe to be unsafe.
4. CVC, whether solely or in partnership, agrees to provide volunteers with a safe, healthy and (wherever possible) accommodating volunteer work environment. This includes but is not limited to: site specific orientation, health and safety overviews, appropriate training or instruction, appropriate safety equipment, and an environment free of any harassment or discrimination.
5. Volunteers are required to attend site orientations and safety talks every time they volunteer with CVC before the start of any planned activity or volunteer work.
6. Volunteers are required to provide a minimum standard of safety equipment for themselves, including but not limited to: appropriate clothing and footwear, sun hat, sun screen, bug repellent or any other items an individual might require while being in the out-of-doors for an extended period.
7. Volunteers must report all injuries, no matter how slight, to the event supervisor
8. CVC provides evidence of volunteer hours for high school students, Scouts, Duke of Edinburgh's Award or other community service requirements. It is the participant's responsibility to come forward with the appropriate forms to fill out and sign – any CVC staff on site can perform this duty.
9. CVC reserves the right to refuse participation to any volunteer who does not adhere to CVC policy on Volunteer Work Day events.
