

Membership Terms and Conditions

Terms and Conditions

Family Membership: Membership benefits apply to members of one household and their friends when arriving at a location together. Membership benefits and free admission will be provided for up to six individuals arriving together in one personal vehicle. ***We cannot validate free admission for additional individuals arriving in a separate vehicle.***

Individual Membership: Membership benefits apply to the individual named on the account. Proof of identity may be requested at the gatehouse. Any additional visitors travelling with the member will be required to pay the regular gate admission fee.

Senior Individual Membership: Membership benefits apply to the individual, 65 years of age or older, named on the account. Proof of age may be requested at the gatehouse. Any additional visitors travelling with the member will be required to pay the regular gate admission fee.

1. Credit Valley Conservation (CVC) and Toronto and Region Conservation Authority (TRCA) prioritize staff and visitor safety. We endeavor to maintain regular access to our parks and facilities, however there are times we may need to close parks or limit services to ensure public safety. Refunds will not be provided for these periods of time.
2. Memberships are subject to the posted operating season of each area. Please visit your favourite park's webpage for up-to-date information.
3. Memberships are non-transferable. Please do not share your membership card with others, with the exception that Family Membership cards can only be shared with members of the same household. Proof of identity may be requested upon arrival.
4. Some parks require a reservation to visit in order to manage visitor capacity. Reserved park visits are limited to one vehicle per reservation and per membership. Gate attendants will ensure that vehicle occupants match the reservation and membership.
5. Misuse of your membership or the reservation system may result in suspension or cancellation of your membership.
6. Some activities, events and programs have additional fees, limited space and/or require pre-registration on a "first come, first serve" basis.
7. Each membership is valid for one visit per park at one time.
8. Camping and equipment reservations, and event tickets must be purchased by the membership cardholder or immediate family member. This cannot be combined with any other offer.
9. CVC and TRCA reserves the right to change these Terms & Conditions at any time.
